RE: Request Extension on State Violation No. N02-46-3-1

Dear Ms. Grubaugh-Littig:

Lodestar Energy, Inc. is hereby requesting a 120-day extension to comply with State Violation No. N02-46-3-1.

The extension is being requested because the area in question is not accessible or workable during the winter without causing more environmental damage. In addition, the 120 days will put the project outside of the time of year that would have the potential for affecting raptors.

Thank you for your consideration on this matter. If there are any questions, please feel free to call me at 435-448-9420, ext. \*811.

Sincerely,

Mark Wayment  
GM - Mountain Operations
