On Friday afternoon we nailed down a meeting with Frontier's reps. They will be presenting a proposal, which I will forward the written part of to you. This is an opportunity for OSM to weigh in on reclamation at White Oak. The meeting is scheduled for 10am Thursday. Questions? Or, call me - MA

Spoke w/ J. Fulton 8/26/03 - He said
to proceed w/ reclamation plans &
OSM would be supportive of Utah's
decision on this. - MAW 8/29/03
