Re: Appreciation for Assistance – Dan Richards and Cody Patton, Lodestar Energy, Inc., White Oak Mine, C/007/0001, Outgoing File

Dear Mr. Smith:

I would like to commend Dan Richards and Cody Patton for their assistance with snowmobiles for the Division of Oil, Gas, and Mining, Coal Program on Wednesday, February 11, 2004. We needed to borrow a snowmobile to do an inspection at the White Oak Mine, a minesite by Scofield Reservoir on February 2, 2004. From the initial call to the day that Steve Demczak, from my staff, and an OSM federal inspector were “snowmobiled” to the minesite, your staff was professional and extremely helpful. I want you to know we appreciate their help.

A big thank you to State Parks – especially Dan and Cody!

Sincerely,

Mary Ann Wright
Associate Director, Mining
