Subject: Photos of Reclaimed White Oak Mine and Loadout, C/007/0001, Outgoing File

Dear Mr. Fulton:

I have enclosed a CD with photos of the reclaimed bond forfeiture sites: White Oak Mine and White Oak Loadout. The photos are clearly identified by date when they were taken and include some before photos, as well as reclaimed photos. The White Oak Mine was reclaimed as of November 1, 2005 and the loadout was completed shortly thereafter on November 4, 2005.

The remainder of the funds will be used for weed control. The Abandoned Mine Reclamation Program has awarded a contract for a weed control that will treat both sites three times a year for the next three years.

If you have any questions, please call me at (801) 538-5268.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
