RE: Stream Channel Alteration No. 09-91-19SA
Eccles Canyon
Oman Ranches

Dear Potentially Interested Party:

Attached is a copy of an application to alter a natural stream which has been submitted to the Division of Water Rights (Division) for processing. You have been provided this copy because you were identified on the application as a potentially affected party.

In processing this application, the Division will work to determine if the project will:

- Unreasonably or unnecessarily affect any recreational use or the natural stream environment;
- Unreasonably or unnecessarily endanger aquatic wildlife;
- Unreasonably or unnecessarily diminish the natural channel's ability to convey high flows; or
- Impair vested water rights.

Any decision made regarding this application will be based exclusively on these four criteria. If you have information regarding these four criteria that will aid the Division in making a determination and subsequent decision, please submit this information, in writing, to this office prior to **August 9, 2009**. For questions or comments pertaining to all other aspects of the project, please contact the applicant listed on the front page of the application directly.

Sincerely,

Judy Mattson
