Dear Ms. Burton:

Subject: De-obligation of \$5,000 for White Oak Mine Reclamation project

Due to unforeseen budget constraints we are forced to de-obligate \$5,000 in FY 2011 State NPS funds from the previous commitment of \$40,000 for the White Oak Mine Reclamation project. Based upon a discussion between Mark Schmitz and yourself you indicated this would not affect current work on the project with the provision of receiving FY 2012 State NPS funding in July 2011.

Sincerely,

Utah Water Quality Board

Walter L. Baker, P.E.
Executive Secretary
