Subject: 0070001 White Oak, Incoming, DEQ De-Obligation of Funds for FY 2011
Attachments: 0096_001.pdf

Since White Oak has been shut down for the remainder of this fiscal year and the project will not resume until next June, DEQ has opted to apply a portion of the designated Grant funds to another project that can benefit immediately, in this fiscal year. These funds will again be available for the White Oak project in the next fiscal year. This does not impact funding of our project, since we will not seek reimbursement from the Grant funds until the project is complete.

I have placed the original letter from DEQ in the hand-delivery mail box.

Dear Ms. Burton:

Subject: De-obligation of \$5,000 for White Oak Mine Reclamation project

Due to unforeseen budget constraints we are forced to de-obligate \$5,000 in FY 2011 State NPS funds from the previous commitment of \$40,000 for the White Oak Mine Reclamation project. Based upon a discussion between Mark Schmitz and yourself you indicated this would not affect current work on the project with the provision of receiving FY 2012 State NPS funding in July 2011.

Sincerely,

Utah Water Quality Board

Executive Secretary
