**Subject:** 007001 White Oak specifications  
**Attachments:** White Oak\_Construction\_Specs\_08112010.doc

Hello Adrian,  
These specifications are ready for your review. They are still DRAFT as there is yellow highlighting where dates need to be inserted. The appendices will be attached when the document is made into a .pdf.  
Would you like to see the appendices?  
Thanks,  
Priscilla.
