Subject: White Oak Stabilization Project 0070001 OUTGOING

Hello Darin,
I wanted to give you a head's up that the sheep will be crossing your land sometime in the next seven days (August 16 -23). The sheep are in the vicinity and it is either now or never. I asked Mr. Warren Bailey, the grazing permittee, to clear out by the 24th (bid meeting). Please let the loggers know.

Thank you,
Priscilla Burton
