Ms. Burton, I apologize for not getting you a key already. It is my neighbor who has the permission to get more keys duplicated, he will mail you one today or put one in an obvious hiding place which I will email you details of. Also, let me know if you will need more than one key in the future, I will have my neighbor duplicate extras for you if needed. I will email you this afternoon as to whether Robert will mail you a key or hide one for you. Thank you

Ms. Burton I will mail you a key this week. It will be impossible to duplicate the key so let me know if you need more than one. Thank you

Hello Darin,

We are still planning on re-seeding a small area at the reclaimed White Oak mine site on October 15. If you would like to mail me a copy of the key, my address is below. Or, if you prefer, someone from the Salt Lake Office can pick up the key from you. Just let me know when and where.

Thanks,

Priscilla Burton
