Dear Mr. Madison:

The Division of Oil, Gas and Mining received a request to stabilize the paved, access road to the former White Oak mine site. You represent one of three landowners being served by this road in Carbon County, Utah, Township 13 South, Range 7 East, Section 19. The Division would like to meet with you to discuss your plans for future use of the road and possible treatment options, with the aim of arriving at a consensus on an approach.

Are you available, either in person or via conference call, for a meeting on Tuesday, December 18, 2012 at 10:00 a.m. at the Division of Oil, Gas and Mining office on 1594 West North Temple (Suite 1210) in Salt Lake City? Please reply to me either by phone or email.

Sincerely,

Priscilla Burton
