Hi Priscilla,

Per my phone message to you this afternoon, you are hereby authorized to issue a notice to proceed to Nelco Contractors as requested. I know the bonds are in so issuance of the PO is now just a formality. We will follow up with the signed PO. Please retain a copy of this email as backup documentation.

Let me know if you have questions.

Hello Christopher,

Since you are filling in for Vinessa this week, I wanted to relay some information. We are hoping to get the faxed bonding and insurance information from Nelco Contractors Inc. reviewed by your office and approved quickly (with the knowledge that the hard copy is in the mail), so that we can issue a Notice To Proceed and get the company mobilized to the site by Monday Oct 19th. We need to take this fast-track approach, because the completion deadline for the project is in two weeks. Adrian Ruger and I have discussed this approach.

Many thanks!

Priscilla
