White Oak 0070001 seed mixes Eccles Pad Removal Project

Priscilla Burton <priscillaburton@utah.gov>

Thu, Feb 4, 2016 at 4:18 PM

To: OGMCOAL DNR <ogmcoal@utah.gov>

There were two seed mixes used in the project. One mix was hand broadcast on the fill placed against the road cut, by Nelco employees. File name = seed mix on road fill_001.pdf.

The second mix was used on the slopes on either side of the reconstructed stream channel. That mix was hand broadcast by Ward Landscapes. It has the file name Eccles Seed Mix.pdf
