CEP/007/002  
Carbon County, Utah

Dear Mr. Slaboszewicz:

I have recently been informed that the approval letter issued by the Division May 21, 1981 in regards to your CEP/007/002 Notice of Intention to Explore was accepted by you as the sole authorization necessary. Please forgive any confusion that may have been caused. I would like to suggest that all future Coal Exploration in this state be additionally addressed to the U.S. Geological Survey and Office of Surface Mining; where necessary, the Bureau of Land Management, Forest Service, and possibly the Division of State Lands.

As idealistically as it may have seemed we are not the only necessary permitting agency keeping their eye on state mining reserves.

Sincerely,

THOMAS N. TETTING  
ENGINEERING GEOLOGIST
