Mr. William H. Haynes, Jr.  
Vice President  
Braztah Corporation  
P.O. Box 599  
Helper, Utah 84526

Dear Mr. Haynes:

In my approval letter of April 27, 1977, for your April 6, 1976, mining plan for the Utah operations of Braztah, we inadvertently omitted two leases that should have been included with the list of leases covered by the approved mine plan. Please add leases SL-029093-046653 and SL-071737. Also lease SL-048442-050115 is one lease that has been combined. It was shown as two separate leases. This makes a total of ten leases covered by the approval. The total acres reported in the approval of April 27, 1977, is correct.

If you have any questions, please let me know.

Sincerely yours,

Jackson W. Moffitt  
Area Mining Supervisor
