Dear Mr. Daniels:

Thank you for your letter of January 12, 1979 to Mr. Matis at Alumet in Golden, Colorado. Until further notice, please direct such correspondence to me at Earth Sciences, Inc. Our Company is a partner in the Alumet Venture.

At present, the feasibility for such a coal mining operation is being re-evaluated. When this is completed, we will file the necessary forms if the decision is made to proceed with the project.

Our thanks for your inquiry.

Sincerely,
