Dear Murray:

Enclosed you will find 2 copies of the conceptual design of Braztah's compliance program for its Castle Gate, Utah mining and preparation facilities.

The Division contemplates a review of this document by March 15, 1979. I hope that your office can also review same by this date so that the company can commence with the finalization of its compliance plans following Oil, Gas, and Mining/Office of Surface Mining agreement.

Sincerely,

RONALD W. DANIELS
