RE: Price River Coal Company
Price River Complex
ACT/007/004
Carbon County, Utah

Dear Mr. Smith:

We have completed our review of the water related topics of the Mining and Reclamation Plan for the above mentioned company. The pond system was approved under previous correspondence. The water rights owned by the company appear to be adequate.

This letter will serve as notice of approval from me for the MRP.

Sincerely,

Dee C. Hansen, P. E.
State Engineer
