Re: Your Letter of April 30, 1981

Dear Mr. Smith:

Although I believe I can decipher the message in paragraph three of your referenced letter, there are persons on our staff who find it rather obscure.

Would you please state clearly and simply that we can dismantle, remove or destroy all of the abandoned rock buildings in Crandall Canyon as we continue and complete any "authorized" construction activities?

A timely response would be appreciated.

Sincerely,
