Attention: Mr. Robert Morgan

Dear Sir:

Please be informed that Price River Coal Company has constructed a sedimentation pond in conjunction with development activities. This is an excavated pond with a maximum holding capacity of about 33,000 ft.³. The pond is located in the southeast 1/4 of Section 28; T.12S; R-9E, Carbon County; in Crandall Canyon.

We have notified you of this pond as per requirements of the Federal Office of Surface Mining and the Utah Division of Oil, Gas, and Mining.

Sincerely,

Robert L. Wiley
Environmental Engineer
