RE: Cooper's Hawk Nest
Crandall Canyon Mine
ACT/007/004
Carbon County, Utah

Dear Mr. Wiley:

Enclosed is a copy of a memo that I wrote regarding the active Cooper's hawk nest in Crandall Canyon. As noted in the memo, one egg was found in the nest, abandoned. It would be of interest to me to find out whether or not the egg was ever fertilized. If you wish to pursue this matter further you should contact Mr. Larry Dalton of the Utah Division of Wildlife Resources.

Please contact me if you have any questions on our investigation of the site. I would appreciate it if you would keep me posted on any action you take on this matter. Thank you.

Sincerely,

Susan C. Linner
