RE: Crandall Canyon
Price River Coal Co.
ACT/007/004
Carbon County, Utah

Dear John:

Enclosed is a request from Price River Coal Company to construct the power line in Crandall Canyon.

I have discussed and cleared the situation of possible disturbance to raptors with Shirley Lindsay. USFWS has been made aware of it, also.

We anticipate approval stipulations to include on the ground compliance and requiring raptor clearance from the Utah Division of Wildlife Resources. Approval by this office is slated for June 25, 1981.

Please call me to include your input or if you have questions.

Sincerely,

MARY ANN WRIGHT
RECLAMATION BIOLOGIST
