RE: Informal Conference Request
Price River Coal Company
ACT/007/004
Carbon County, Utah

Dear Mr. Mathis:

The Division is in receipt of your letter dated April 13, 1981 to Mr. Cook of Price River Coal Company. We have requested that the company first respond to your concern to identify, and possibly resolve, any conflict prior to setting up an informal conference as provided under Section UMC 786.14.

If you still wish to have a conference, please advise the Division in writing by briefly summarizing the issues to be raised and stating whether you desire to have the conference held in the locality of the proposed mining operation or in Salt Lake City.

Regardless, the Division would appreciate knowing your concerns and what resolution has been reached with the operator or what further actions are requested.

If you have any questions please don't hesitate to call.

Sincerely,

JAMES W. SMITH, JR.
COORDINATOR OF MINED LAND DEVELOPMENT
