TO : Tom Tetting
FROM : Shirley Lindsay
SUBJECT: Price River Complex ACR response

In response to your recent inquiry, I've learned that on 6/23/82 Bob Bamberg, Acting Chief of Mine Plan Review, approved time extension to August 9, 1982. John Montgomery, TPO, passed on this information to Lyn Kunzler by telephone on that date.

I couldn't get you on the phone today, and since I'll be out til Tuesday, thought this might be the quickest answer.
