Inspection Memo
to Coal FileRE: Crandall Canyon Modification
ACT/007/004
Carbon County, Utah

On April 9, 1982, Ev Hooper and Lynn Kunzler of the Division accompanied Shirley Lindsay and John Montgomery of OSM on a technical inspection of the proposed Crandall Canyon Facilities of Price River Coal Company. This inspection was pursuant to writing an Environmental Assessment (EA) on the proposed operation.

The facilities in Hardscrabble Canyon were toured to familiarize the OSM personnel with a portion of the area to be reclaimed once the Crandall Canyon Facility is in operation.
