RE: Replacement Bond  
Price River Coal Co.  
ACT/ 007/004  
Carbon County, Utah

Dear Mr. Jones:

I received your bond replacement from the Safeco Insurance Company for the Price River Coal Company Reclamation Bond for Crandall Canyon. There are two problems that should be brought to your attention for correction:

1. The bond form did not include payment to the U.S. Department of the Interior, Office of Surface Mining, and
2. The seal of the corporation (A.E.P.) is required on the bond.

I enclosed a bond form with the payment to the State of Utah, Division of Oil, Gas and Mining and the U.S. Dept. of the Interior, Office of Surface Mining for your convenience. Please complete the form and return it to the Division.

The replacement amount of \$350,000 is presently satisfactory. A new bond estimate, however, will be formulated upon completion of the mine permit assessment.

Thank you for your prompt attention in this matter.

Sincerely,
