RE: Proposed Assessment for
State Violation No. N82-4-9-1
ACT/007/004

Dear Mr. Cook:

The undersigned has been empowered by the Board of Oil, Gas and Mining to act as the Assessment Officer and conduct informal conferences on violations and assessments.

Enclosed you will find the proposed civil penalty assessment for the afore-referenced violation(s). The aforesaid violation(s) was issued by Division Inspector David Lof on the 9th of September, 1982. I have utilized Rule UMC/SMC 845.2 et seq to formulate the proposed penalty.

A request for an assessment conference must be submitted within thirty (30) days after receipt of this letter. Should you request an assessment conference you may contest either the occurrence of the violation, the proposed penalty or both.

If no timely request for an assessment conference is made, I shall review all pertinent data and make a final penalty assessment. The fine assessed must be paid to the Division of Oil, Gas and Mining within thirty (30) days of receipt of the proposed assessment. Failure to comply with the above-stated statutory requirements shall result in a waiver of your right of further recourse.

You should further be aware that a request, after an assessment conference, to appear before the Board of Oil, Gas and Mining will not be granted unless the proposed penalty monies are properly and timely escrowed with the Division of Oil, Gas and Mining.

Sincerely,

RONALD W. DANIELS
