Carbon County, Utah

Dear Rob:

I have enclosed a couple of dam inspection forms for your reference in developing a program for the pond inspections and reports required by UMC 817.46(t). All Sediment ponds, including the excavated ponds, need to be inspected. The enclosed forms indicate the type conditions that should be inspected and reported on and may present a format for use in developing your own inspection forms.

Have a Happy Thanksgiving,

A handwritten signature in black ink, appearing to read 'Sandy Pruitt'.
