RE: Patterns of Violations
Price River Complex
ACT/007/004, Folder No. 7
Carbon County, Utah

Dear Mr. Wiley:

It has been determined by the Division of Oil, Gas and Mining (DOGM) that there have been three or more violations written on your operation which are of the same or similar nature and which have occurred within a twelve (12) month period. DOGM has set this month of October to meet with inspectors and operators in an informal, fact-gathering setting at the DOGM offices in Salt Lake City.

All information gathered at this meeting will be used to make a final determination as to whether a pattern of violations exists for the operation. To that end, please be prepared to discuss the following violations:

Hydrology Pattern

N82-4-12-2
N82-4-7-1
N82-4-5-1
N82-4-4-2, #1
N81-2-14-1
N82-4-17-2
N82-4-14-1

October 19, 1983 has been set for this meeting; we will notify you of a time.

If you have any questions, please contact Ron Daniels at 533-5771 or Barbara Roberts at 533-6684.

Sincerely,

for Jim Shirazi
