RE: Certificate of Liability
Insurance Form
Price River Complex
ACT/007/004, Folder No. 5
Carbon County, Utah

Dear Mr. Wiley:

This letter is a reminder that you must submit the completed certificate of liability insurance form. This form submission is needed for our files so that the information is available separately from the Mining and Reclamation Plan (MRP). The updated renewal will no longer need to be sent to the Division. However, if a permittee cancels the insurance policy or fails to renew it, and no replacement insurance is provided prior to the effective date of the cancellation or renewal, the Division can issue a cessation order to the permittee for failure to maintain insurance coverage.

We appreciate your cooperation in helping us to maintain current Division files. Thank you.

Yours very truly,

PAMELA GRUBAUGH-LITTIG
RECLAMATION ENGINEER
