Dear Mr. Cook:

In a letter dated November 2, 1984, you expressed concern that signing Permit Number UT-0007, transmitted to you under a letter dated October 19, 1984, would interfere with your right to appeal our decision.

In signing the permit, you are signing the statement: "I certify that I have read and understand the requirements of this permit and special conditions that are a part of it." Signing that statement does not interfere with your right to appeal pursuant to 30 CFR 775.11 and UMC 786.11. Should you need clarification of the requirements contained in any of the special conditions or if you have any other questions, please call Walter Swain at (303) 844-3806.

Sincerely,

Allen D. Klein
