Memorandum

To: Utah Senior Project Manager, OSM, Denver  
Attn: Mr. David Maxwell  
From: Chief, Mining Law and Solid Minerals  
Subject: Price River Coal Company, Price River Complex, Carbon  
County, Utah, Mining and Reclamation Plan (MRP)

The map and pages submitted with your letter of September 15, 1983, were reviewed for completeness and technical adequacy. We called Mr. Maxwell on September 20, 1983, and reported that we had no concerns with the submitted material which discussed hydrology, subsidence, and postmining slopes. The information was requested by OSM's letter of July 21, 1983. The telephone call was to be followed-up with a confirming letter.

This is the follow-up letter. We couldn't find one in the subject correspondence file.
