Mr. Robert L. Wiley
Environmental Engineer
Price River Coal Company
P. O. Box 629
Helper, Utah 84526

Dear Mr. Wiley:

RE: Approval of Sediment Pond 014 Modification, Crandall
Canyon Shaft, Price River Coal Company, ACT/007/004,
Folders No. 2, 3 and 4, Carbon County, Utah

Based on the Division Staff's review of Price River's submission's of March 20, 1984, June 27, 1984 and July 31, 1984, the planned modification of Sediment Pond 014 is found to be acceptable.

Therefore, the Division hereby grants approval for modification of sediment pond 014 in accordance with the submitted plans, with the following stipulation:

1. This approval will take effect when the Division receives evidence of approval from the Division of Environmental Health, Bureau of Water Pollution Control.

Please provide 12 additional copies of the revised plate which outline the revised sediment pond changes to update all copies of the MRP's on file with the respective state and federal agencies. Please indicate the appropriate section and plate No. from the overall MRP which will be replaced by this revision. Thank you for your patience and cooperation in this regard.
