DIVISION OF OIL  
GAS & MINING

Dear Dr. Nielson:

The Office of Surface Mining, Western Technical Center (OSM) has received the September 24, 1985, Price River Coal Company's submittal of an amendment to the approved mining and reclamation plan of Utah permit No. ACT/007/004 for the Price River Complex, No. 4 Portal Area, Folder #4. OSM reviewed this submittal and has determined that it does not constitute a modification to the approved mining plan under 30 CFR 746.18. Based on the review of the submittal, OSM concurs with the Division of Oil, Gas and Mining's (DOGM) decision to approve this submittal as indicated in DOGM's letter dated October 1, 1985, and the Federal permit #UT-0007, dated October 19, 1984, is revised accordingly.

If you have any questions, please contact Richard Holbrook at (303) 844-2451.

Sincerely,

*Melvin L. Shilling*
