DIVISION OF OIL
GAS & MINING

Dear Mr. Braxton:

The Manti-LaSal National Forest received, from the Division, one copy of a letter dated July 31, 1985, which the Division had previously received from Utah Fuel Company on August 12, 1985. The company proposed to do some improvements on approximately 0.2 acres adjacent to the loadout building, and add it to the existing permit area. The area identified is off Forest, and the proposed activity should not adversely impact National Forest System lands or its resources.

Sincerely,

W. A. Bailey
