RECEIVED

AUG 09 1985

DIVISION OF OIL
GAS & MINING

August 7, 1985

Dr. Dianne R. Nielson, Director
Utah Division of Oil, Gas and Mining
355 West North Temple
3 Triad Center, Suite 350
Salt Lake City, UT 84180-1203

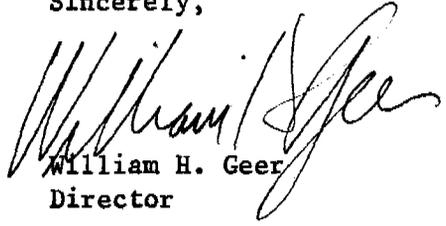

Attn: Wayne Hedberg:

Dear Dianne:

The Division has evaluated Utah Fuel Company's July 22, 1985, proposal for disposal of excavated sediments from their pond at the Skyline Mine. The proposed technique (preferred and alternative) does not appear to compromise adjacent aquatic environments. Revegetation is anticipated as per their approved MRP.

Thank you for an opportunity to review the proposal and provide comment.

Sincerely,

William H. Geer
Director
