Mr. Allen D. Klein, Administrator
Western Technical Center
Office of Surface Mining
Brooks Towers
1020 Fifteenth Street
Denver, Colorado 80202

Dear Mr. Klein:

RE: Response to Technical Deficiencies of Approved Plan for
Temporary Open Coal Storage, Utah Fuel Company, Skyline
Mine, ACT/007/005, #3 and #4, Carbon County, Utah

Enclosed are seven (7) copies of Utah Fuel Company's latest response to technical deficiencies for the approved (February 19, 1985) temporary open coal storage plan at their Skyline operation. Because of the temporary status of the coal storage, these plans have not been made part of the approved permit application package. The Division is forwarding these copies for your review, information and files.

Should you have questions or problems pertaining to this information, please contact me.

Sincerely,

D. Wayne Hedberg
Permit Supervisor/
Reclamation Hydrologist
