Dear Mr. Allison:

The Office of Surface Mining Reclamation and Enforcement (OSMRE) has received your inquiry concerning OSMRE permit UT-0007 condition number 10. The Utah Division of Oil, Gas and Mining (DOGGM) is the lead agency for ensuring compliance with the condition, and correspondence should be directed to Utah DOGM with one copy each to OSMRE's Western Field Operations, the Carbon County Board of Commissioners, and the Utah State Department of Community and Economic Development. Utah DOGM will coordinate with the other agencies, including OSMRE, concerning compliance with the condition.

If you have any questions, please contact Richard Holbrook at (303) 844-2896.

Sincerely,

Mel Shilling
