RE: MRP Amendment, #4 Loadout

Dear Mr. Hedberg:

As you no doubt know, we are in the process of transferring all of the West Side (#3, #5, Castle Gate Prep. Plant and Crandall facilities) to Castle Gate Coal Company, a subsidiary of AMAX Inc.

Since the closure will become official tomorrow morning, I have asked Rich Allison to add the 36" pipes to the proposed changes in the drainage for #4 Loadout. This will eliminate duplication of 14 copies for the MRP.

Very truly yours,

PRICE RIVER COAL COMPANY
