RE: Upgrade of Surface Facilities, Review of  
September 11, 1986 submitted, Price River Coal Company,  
Hardscrabble Canyon, ACT/007/004, Folder No. 2, Carbon  
County, Utah

UMC 817.21 - .25 - JSL

The September 11, 1986 submittal was reviewed relative to soil concerns. Prior to the approval of this modification the potential reclamability of the soil must be determined and submitted to the Division. The operator has committed to analyze one soil sample at a 0-12" depth. The Division has not yet received this information. This information must be submitted prior to approval of the modification to the permit plan.
