Dear Mr. Hutchinson:

RE: Approval, Removal of Slide Debris from Diversion Ditch at  
No. 4 Portal, Price River Complex, ACT/007/004, #4 and #7,  
Carbon County, Utah

Thank you for your December 11, 1985 letter notifying the Division of a recent rock slide found in the undisturbed diversion ditch below the water tank at the No. 4 portal. Price River Coal Company's plans for stabilization and clean-up of the area are acceptable and the Division hereby grants approval to defer final implementation until early spring when more favorable site and weather conditions exist.

Again, thank you for your cooperation in this matter. Should you have any questions or concerns, please contact me.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor/  
Reclamation Hydrologist
