Dear Mr. Hedberg:

The purpose of this letter is to document our phone call and agreement made on 3 November, 1987.

Your letter of 22 October, 1987 requested fourteen (14) additional copies of text and maps to Ponds 004 and 007. As we have agreed per phone conversation, Castle Gate Coal Company will send fourteen (14) copies of text and drawings when the Division asked for them in the mid-term permit review. The text and maps are formatted to be included in the mid-term permit review submittal and not the existing M.R.P.

Sincerely,

Richard H. Allison, Jr., P.E.
