RE: Goose Island Reclamation

Dear Mr. Braxton:

Pursuant to UMC 817.42(a)(2), Castle Gate Coal Company requests discontinuance of maintaining the sediment control structures at the Goose Island reclamation. Inspection of the revegetation by both myself and your inspectors conclude that the vegetation and stabilization of the area is successful enough that removal of the sediment fence would pose no environmental problems.

Please respond as soon as possible to this request.

Sincerely,

*Richard H. Allison, Jr.*

Wayne: please discuss with Sue:  
Is this an amendment to the MRP,  
or is "Goose Island" separate from  
Castle Gate's mt?
