RECEIVED
JUN 29 1987

DIVISION OF
OIL, GAS & MINING

Attn: Wayne Hedberg

Dear Dianne:

The Division has evaluated Castle Gate Coal Company's final approved plans and boundary change for their Unit train loadout. The use of railroad cars as a clear span bridge is preferred to their original culvert plan. Note however, that either plan is acceptable.

Thank you for an opportunity to review and provide comment.

Sincerely,

William H. Geer
