Re: Castle Gate Haul Road Drainage

Dear Mr. Hedberg:

Your letter dated 11 March 1987 approving the drainage plan change at Castle Gate requested additional maps (12 copies) by 25 March. Castle Gate Coal Company is presently updating all the maps and text in the MRP for a midterm permit review.

Castle Gate Coal will incorporate the drainage change in the midterm review and send you the 12 copies which you requested when the section on Castle Gate is completed. The new topo and aerial photo should be completed by 1 May 1987.

Sincerely,

Richard H. Allison, Jr., P.E.
Project Supervisor
