Re: Abatement of NOV No. 87-17-1-1

Dear Mr. Braxton:

Attached is a receiver for 50 fence posts which are presently in stock at Castle Gate Coal Company warehouse. These posts were acquired pursuant to NOV No. 87-17-1-1 which requires acquisition of perimeter marker materials within 30 days of the date of the NOV.

Acquisition of these permit boundary markers does not constitute an admission of guilt by Castle Gate Coal Company, nor can it be used as evidence against the company in administrative or civil court hearings.

Sincerely,

Richard H. Allison, Jr., P.E.
Project Supervisor
