Re: Sediment Pond Certification

Dear Mr. Braxton:

Enclosed are Pond Certifications for pond numbers: 003, 007, 008, 009, 11, 12A, 12B, 14, 15 located on the Castle Gate mine property.

I am also sending copies of this certification to the Department of Health requesting required permits which were not obtained by Price River Coal Company.

Ponds 004, 005, 10, 13 still need to be surveyed for certification. Ice and snow in the ponds have made them unsafe for surveying. Therefore, certification of these ponds will not be completed until Spring, 1987.

Sincerely,

Richard H. Allison, Jr., P.E.
Project Supervisor
