Mid-Permit Term Review

Dear Mr. Braxton:

Reference is made to your letter dated December 31, 1986 re-  
questing information for a mid-permit term review for the  
Willow Creek area at Price River Coal Company, and your  
telephone conversation with Jody Belviso of this office.

Based upon the recent sale of portions of the Price River  
Coal Company, we no longer have any employees at Price River.  
We at the corporate office in Ohio need to become familiar  
with the Utah State Regulations.

We respectfully request an extension of sixty (60) days from  
April 3, 1987 to provide the information for a mid-permit  
term review.

Your cooperation is greatly appreciated.

Yours truly,
