Dr. Dianne R. Nielson, Director
Utah Division of Oil, Gas & Mining

Attention: Susan Linner

Dear Dianne:

The Division has evaluated Castle Gate Coal Company's plans (revised 01-29-88) and proposed 0.6 acre boundary change for their unit train loadout. There is no concern for the plan as proposed.

Dianne, personnel at the Division's Southeastern Regional office worked closely with the company to design mitigation as well as avoidance of some impacts. As you know this project has been completed.

Thank you for an opportunity to review and provide comment.

Sincerely,

William H. Geer
