We note that it states that information concerning cultural resources is provided in Section 5.1 of the mining resource plan. We have been unable to determine if we have previously reviewed this MRP. If we have previously commented on this MRP, it is likely that additional comments are not needed concerning this amendment. However, if your records indicate that we have not previously commented on the MRP, we would appreciate receiving a copy of Section 5.1 of this MRP to review for evaluation of cultural resource management efforts in the area of this proposed action.

The above is provided on request as outlined by 36 CFR 800 or Utah Code, Title 63-18-37. If you have questions or need additional assistance, please contact Charles Shepherd at (801) 533-7039, or 533-6017.
